JOINT PUB DISTRIBUTION

The Joint Warfighting Center (JWFC) maintains an inventory of joint publications as well as older approved titles. This inventory plus service stocks is available to rapidly fulfill requests for printed material. The center works closely with the Joint Doctrine Division (J-7), Joint Staff, to track the joint publication approval process and make orderly distribution. Printed material lags behind the release of electronic versions which are found at three sites: the Joint Electronic Library on CD-ROM, Joint Electronic Library on the World Wide Web [<http://www.dtic.mil/doctrine>], and Joint Warfighting Center Electronic Library [<http://www.jwfc.js.mil/PAGES/jel1.htm>]. CD-ROM versions appear semiannually and contain all approved joint pubs as well as training modules and selected papers and service publications.

Dial-a-pub assistance may be accessed by calling (757) 726-6449/DSN 680-6449 or via FAX at (757) 726-6552/DSN 680-6552. Requests must include the following information: name, rank, and service; phone numbers (commercial/DSN), FAX number; e-mail address; full mailing address; and desired publication number and quantity.

At least a month prior to the due dates for distribution lists for new or revised joint publications, the Joint Warfighting Center releases a GENSER e-mail message to service and unified command points of contacts. It provides a distribution status report and additional distribution requirements. The latest message with requirements is found at <http://www.jwfc.js.mil/PAGES/jwfc1006.htm>.

Requirements must be identified to primary point of contacts within the individual services, Army (DAMO-SSP), Navy (NAVDOCCOM), Marine Corps (MCCDC), Air Force (AFDC/DJ), or Coast

Guard (HQ); in one of the unified commands, ACOM, SOUTHCOM, EUCOM, PACOM, SPACECOM, STRATCOM, CENTCOM, SOCOM (JSOFI), and TRANSJCOM; or on the Joint Staff (JWFC/DD). Joint pubs also can be obtained by contacting a service publication center:

The Joint Warfighting Center keeps an inventory of joint publications to meet special requirements. Contractor requests will only be honored if submitted through a DOD sponsor.

Members of the public may obtain joint pubs from the U.S. Government Printing Office by calling (202) 512-1800. Although not every publication is offered for sale, all titles are available on the Joint Electronic Library which is distributed like all other pubs. On the World Wide Web, the CD-ROM can be found at <http://www.dtic.mil/doctrine> or <http://www.jwfc.js.mil/PAGES/jel1.htm> using a browser. It is updated routinely and contains all approved joint pubs, which may be electronically downloaded (pdf format) for local distribution or read with Acrobat Reader (also available for download).
